Denison at Fort Smith.

With nothing left after their strenuous action against Denison, the Senators were easy prey for the Oklahoma City team. The Senators' pitcher, Gierhart, was pounded by the Oklahoma City hitters, who had been playing well for 49 years and never hit under 400 during all that time. The main factor in the Senators' humiliation was the fact that the Oklahoma City team had a pitcher who was in the first five of the Senators' lineup, while Denison was responsible for the last. Gierhart, who had little to do, gave and a pitcher, two home runs, a double and four singles being bunched off of him when needed by the batters to make their six runs.

Kimball on the other hand, had the change eating out of his right hand most of the distance. Through the Senators got an equal number of hits, they were comparatively poor efforts and did not count when needed. At one time in the sixth, Kimball and a hit batsman put three Senators on the base, but with two down, Enick could not do the Wagner stunt. He drove a healthy liner straight for the left field fence, but Williamson sprinted and camped under it.

The Senators pulled one in the third when Williamson pulled a long drive over the centerfield barrier. Again in the sixth, Seaver hit and Holman drove him in by dropping the pit over deep center fence. In the eighth, Seaver's hit, Holman's two-bagger, Johnson's hit and a fielders choice added three to the Sherman team's collection.

Weather permitting, Ted Herbert and George the Hitters star pitcher will in all probability today for the benefit of the ladies' fund. Prospects for a faster diamond and an addition of pep to the Senators point in an excellent battle on Monday afternoon.

Time, one hour and thirty-five minutes. Umpire Pontus.

Denison Wins Wild Game
J. P. SMITH, Ark. Aug. 10.—Denison set a new record for base stealing and the locals tied the season's record for fanfare here Monday. The day was dark and threatening and the ball was hard to see. Brady and Adams' wildness gave Denison three runs in the first two innings on one hit. Later Brady was hit hard. Huggins' home run hit hard in the last two innings but strong support held scoring down.

The score by innings: **H. H. E.**
Denison 15, Oklahoma City 14.
Innings: 1-15, 2-1, 3-0, 4-0, 5-0, 6-0, 7-0, 8-0, 9-0.

led at having sat down in the mud while trying to field Socie's ground ball that he drove out a clean single, his first in some few days.

Charles Brill won't stand for the kind of a record. The Oklahoma's sporting editor shows up the state record for stolen bases and the Tulsa record for home runs, by proving that the Senators last year made eleven errors in a game with Jolly and that several teams have stolen more bases than did the league leaders Monday.

As far as we are concerned, we'd just as soon the Tigers would have and hold the record for errors made. We hate to think that any team padding for Oklahoma City would make more than nine errors in a single game.

Still, if one counts errors of omission as well as errors of commission, there have been several contests this summer wherein our own have exceeded even the eleven set by the Senators last year.

Philadelphia continues to slide while Brooklyn is improving steadily. Those Brooklyn Reds who trimmed the Phillies Monday are good for one purpose and that is to cool off over-optimistic personal confidantes.

That is a blow the Superiors hand, as the Cubs must have been a bit puffed up by the authorities who predicted that the Cubs would be leading the league by the end of this week.

Right now is the time for Johnny Evers' Braves to make their grand

bid for the pennant. With Chicago and Brooklyn feasting at each other's throats, and Pittsburgh and the Giants scrapping like Kilkenny cats, the Braves should mop up on St. Louis and arrive if they ever intend to get any place.

Monnet and Spence won their preliminary matches at Kansas City. And they will probably prosper until they meet Jack Cannon and Irv Fancher. Jack is just too good and Irv will prove to be a much tougher morsel on his home court than he was in Oklahoma.

Johnny Evers should be satisfied now and stay in the National league. A gas stove blew up in the Tulsa park Monday and knocked Ernie Quinley out of the game for a couple of weeks.

With both the Red Sox and the White Sox playing soft marks, there seems to be little chance for a change in the American league race during the next few days. Still Walter Johnson is about due to pitch again which means that the Tigers will be one more game to the bad.

The Reds will next introduce high chase vaudeville between innings. At least, good specialty acts are always considered proper in the ten, twenty and thirty innings.

And now the mud ball has passed into oblivion with the smoky ball. We hope that a certain young man in this league who experimented recently with the smoky ball will continue to sell to straight hitting after this. We've a hunch that he'll get along better.

If it wasn't for our enemies life would be awfully monotonous.

There were also to be contested an 880 yard and two mile relay race, hurdles, a sprint, quarter-mile straight-away race between Ted Merrill, the national champion and S. H. Desmond and Frank Sloan of the San Francisco Olympic club in an effort to create a new world's record for the distance.

Official figures made public today gave the following as the standing of the first eight men in yesterday's contests:

A. N. Richards, Ill. A. C.	400.23
C. A. Brundage, Chi. A. C.	324.88

Slants Slapped at Sundry Sports

Guess we'll have to be content with a first division team this year. Seven games looks like the impossible climb at this stage of the season.

We'd like to suggest, very mildly, of course that Helne Maag take Gierhart back to that same dentist.

This same Frank Holman has been a terror to minor league pitchers ever since the catcher moved up and continued to take 'em hot off the bat. Holman has been up and down from Class D to Class AA so many times he's lost score.

Allen continues his hitting streak. The right fielder gathered a double and single out of four times up Monday. He also got five put outs in the right garden.
